Caption for Opening:

- The Pilipinx-American Culture Night (PACN) is an annual student-led production that celebrates the richness of Pilipinx heritage through storytelling, dance, and music. More than just a performance, PACN is a heartfelt tribute to culture, identity, and community, bringing together students to honor traditions while fostering creativity and connection. Each year, PACN showcases a unique narrative that blends historical and contemporary themes, featuring traditional folk dances, modern performances, and a cast of passionate individuals dedicated to preserving and sharing Pilipinx culture. Rooted in unity and pride, PACN continues to inspire and educate, keeping the spirit of our heritage alive for generations to come.
